

# WE FALL FOR OUR CAPTAINS!

## TN CAPTAIN SPOTLIGHT

### AMELIA FAIR

When did you first start captaining? In 2011. It doesn't seem that long, but I have the team pictures that date back that far!

How many teams have you captained? Some years I captain as many as 5 teams in one year, including Mixed Doubles some years.

Who is your favorite Professional Player? Juan Martin Del Potro

What is your 2nd favorite hobby? Crocheting is something besides tennis that I love to do!

My favorite tennis experience is just meeting different players and continually growing each team and increasing the USTA league over the years in Chattanooga. Each member of the team is dedicating their time and giving their all in the heat or cold and sometimes in the rain. I just want to let all of them know how much they are appreciated and needed in order for Chattanooga's USTA League to grow.
