A Look Back at 2023

School Tennis is still growing in Tennessee!

- 24 Tennis in Schools workshops were conducted in school districts across Tennessee
- 500 PE Teachers were in attendance at workshops
- 130 schools received brand new Tennis Equipment Kits
- A record 53 middle school teams competed in the TN Middle School State Tennis Tournament

THANK YOU to Physical Educators, Coaches, and Administrators for your support of tennis and for bringing the sport to students all across Tennessee!

Has your PE Tennis Equipment Kit not arrived to your school yet?

If your school was approved to receive the PE Tennis Equipment Kit but it never arrived, **please** contact TN Schools Coordinator Marissa Kovach at marissakovach@ustatn.com to make sure your school receives the kit.
(We apologize for the delay!)
