

# Tennis Is Heating Up!

## Tennessee Captain Spotlight Felice Hadden

### How long have you been captaining?

I captained my first USTA team in 2015, but I first captained our local association league team for years previously.

### How many teams would you say you've captained over the years?

Around 8-10 USTA teams over the past 5 years.

### Who is your favorite professional tennis player?

I cannot choose a favorite between Nadal and Federer. I remember where I was when I saw their last epic Wimbledon championship match!

### Tell us about your favorite tennis experience?

I've had so many wonderful experiences in USTA, but I think my favorite was when I captained my first USTA team in 2015. I had 40 & Over Combo 8.5 team and we won the TN State Championship! I was really surprised, but thrilled!!

### When you aren't playing tennis, what will we most likely see you doing?

I love to spend time with family, especially my precious granddaughter by the pool!

**Captains keep the fire going, and we want to continue Spotighting all their hard work!!**
