

Nashville Fall Mixed Doubles Flex League 2026

Nashville's Mixed Doubles Flex League is open to 18 & Over players. The goal of the Flex Leagues is to have fun, get to know local players and give players an opportunity to improve their game in a relaxed setting. It is also a great opportunity for partners to practice and prep for USTA Mixed Doubles League offered in the summer. Matches are scheduled each week by the opponents when it is convenient for them to play (date, time and court location.) A main schedule will be published for guidance and suggested play. Playing in the Flex Leagues will NOT affect your NTRP. Each "team" consists of one mixed doubles pair. Each player must register for the team. USTA membership is required.
