

USTA  **TENNESSEE**

Adult League Captain Spotlight

Veronica Pulley

I Became a Captain Because:

I played on Deb Armour's USTA teams for several years and after her sudden death in 2021, I wanted to honor Deb's legacy by becoming captain of some of her teams. I named the teams Armour Strong.

I Being a Captain Because:

It puts me in a position to bring others to the game, not just to play, but to create opportunities to learn, improve & build self-confidence! This year I captained 15 teams & it is such a great feeling to watch players on my teams on the court, enjoying the game!

Favorite Tennis Memory:

Playing in a National Championship at the USTA National Campus in Orlando, Florida with only 7 total players on our roster!

Fun Fact:

I love music! I am a gospel singer and have even recorded an album!
