

# Captain Spotlight

Angela Blankenship

## Favorite Match

My most exciting match was probably a singles match, for which I was painfully ill-equipped, but I was able to stay steady, adjust and finally win against a stronger player.

## How did you get into tennis?

I played tennis in middle school and high school, then took a 25-year break for college, work, marriage and children! When our daughter started playing tennis later in high school, she convinced me to give it a go again. I've not looked back since!

## How long have you been a captain?

I've captained for 3 seasons, in Tri-Level, Combo and Adult 3.5 divisions over the years! I always enjoy my teams, and have the best ladies who love the game, play with integrity, and inspire me to lead with grace and be better each match.

## Tell us something your teammates don't know about you

My team may not know this about me, but I have run 6 marathons and 13 half-marathons. (Many years ago!)
