For about 7-8 years now, captaining and co-captaining about 7-8 teams per year. We are all ying to each other's yang. Enjoy playing on 6 teams in Spring!

Outside tennis, what are your favorite hobbies?

Traveling with my newly retired husband, time at the beach or on the lake, golf, painting, decorating, snow skiing, crafting, sewing. A Jack (or Jane) of all trades but master of none, also love to dance, work-out, read, bike, drinks with friends and informal social gatherings.

What is the best part about USTA leagues?

The joy of bringing a group of women together of varying ages, and playing ability who call each other friends at the end of the season. Also often traveling together to state & sectional championships, sharing laughter and shenanigans...the rewards are immeasurable!
