

Captain Spotlight

Meet Joel Faidley

META tennis captain

How Long Have You Been A Captain: Since 2009

How many teams would you say you've captained: 20 teams in Adult, Mixed and Combo

What is your favorite part about being a captain?

Getting players together that really enjoy tennis and the relationships that develop from being a team. My players appreciate me being fair in # of times they play, and who they are partnered with. The trips to state are a goal and not just for competition but to be around folks with similar interests.

Besides Tennis, What Are Your Favorite Hobbies?

Golf, hiking and any other outside activity including yard work!

Tell us about your best tennis experience:

It would have to be 2014 state tournament for Men's 18+ 4.0 Adult league. We tied Memphis for 1st place even though head to head we won.!
