### USTA TN Schools Newsletter

Stay connected and find out what's new with Tennis in Schools!

**Tennis is still, BY FAR the most popular racket sport you can play!**

#### Tennis is boooooooming.

The number of people playing tennis is more than the combined number of people playing Pickleball, Badminton, Racquetball and Squash.\*

#### U.S. TENNIS PLAYERS

### Tennis in Schools Summer Workshops

Needing Professional Development opportunities? Attend a USTA Tennis in Schools Workshop! Our workshops can be anywhere from 1 to 3 hours in total. The K-12 curricula activities, USTA resources, and **free equipment sign up** are all covered during the workshop!

Get a Tennis in Schools workshop scheduled for your county/district teachers by contacting TN Schools Coordinator, Marissa Kovach at [marissakovach@ustatn.com](mailto:marissakovach@ustatn.com)

## TN Tennis Specialty License Plate

USTA Tennessee is proud to offer a Specialty License plate to Tennessee drivers so they can show their support of our great sport.

**All net proceeds benefit grassroots, outreach, and community tennis programs that are dedicated to enhancing young people's lives through tennis in the state of TN.**

*Including programs such as the Tennis in Schools program.*

Please consider donating \$35 to pre-order your Specialty License Plate even if you opt out of getting the plate on your car.

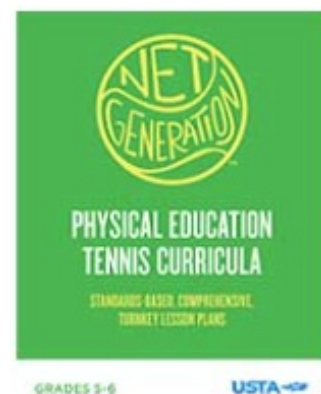

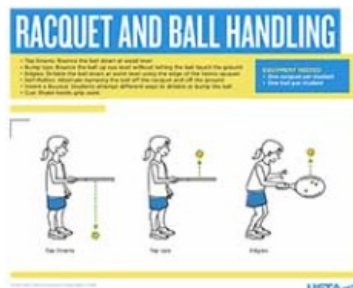

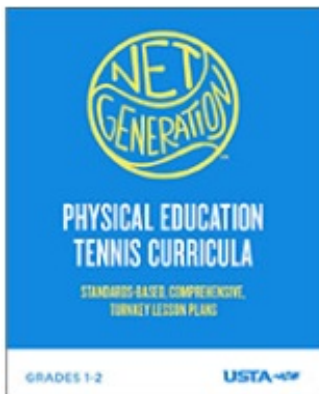

Click below to read our FAQ's and sign up for your License Plate!

## Send us your Tennis in Schools Success Stories

The 2022/ 2023 school year will be over before we know it! Do you have any success stories or good memories of doing tennis at school this year that you would like USTA TN to know about?

Whether we can share your story on social media or use it as a "best- practices" example, we would LOVE to hear from you!

Send your stories and memories to [marissakovach@ustatn.com](mailto:marissakovach@ustatn.com)
